**Betsy Who Cried Wolf**  
by Gail Carson Levine

A new spin on the classic tale with great illustrations. Will the wolf get the sheep? What can Betsy do to protect them?

**Diamond Willow**  
by Helen Frost

Twelve year old Willow wants to prove she's grown up. She wants to mush the sled dogs. When at last she is allowed to do just that, she makes a critical mistake resulting in the lead dog becoming blind. Travel with the sled team yourself and find out if Diamond can save the lead dog from being euthanized.

**Princess Academy**  
by Shannon Hale

This isn't your typical fairytale. The wise men of the kingdom have declared that the next princess will come from Miri's remote mountain village. The girls of the village are sent to the princess academy to learn how to be a princess. The story explores and develops Miri's relationships with her family and how she discovers her strengths and achieves her own happy-ever-after.
