Diamond Willow
by Helen Frost

Twelve year old Willow wants to prove she's grown up. She wants to mush the sled dogs. When at last she is allowed to do just that, she makes a critical mistake resulting in the lead dog becoming blind. Travel with the sled team yourself and find out if Diamond can save the lead dog from being euthanized.

Princess Academy
by Shannon Hale

This isn't your typical fairytale. The wise men of the kingdom have declared that the next princess will come from Miri's remote mountain village. The girls of the village are sent to the princess academy to learn how to be a princess. The story explores and develops Miri's relationships with her family and how she discovers her strengths and achieves her own happily-ever-after.

Dear Library Supporters,

Ada Community Library is currently taking part in the Sara Lee TICKETS Fore CHARITY™ program. As a program participant we are able to keep 100% of all the money from tickets to the Albertsons Boise Open presented by Kraft purchased in our name.

If you are a fan of golf, you can help enhance our library services and, in return, receive weekly tickets to the Albertsons Boise Open presented by Kraft played this September at Hillcrest Country Club. And again, we keep 100% of your purchase.

The Albertsons Boise Open presented by Kraft, a mainstay in the Boise community for the past 21 years, is the premier event on golf's Nationwide Tour, the proving ground for the PGA TOUR. Many of the game's current superstars played on the Nationwide Tour on their way to the top of the golf world.

Pick up a form at the library or log on to www.albertsonsboiseopen.com, click on the tickets tab and select Ada Community Library from the drop-down menu of options. And be sure to order plenty for your family, friends, customers and associates! The tickets are an incredible value, and every dollar you spend will come directly to us.

Thank you for your support – we look forward to seeing you at Hillcrest Country Club September 13-19!

Sincerely,
Mary DeWalt, Director
