"Snow" by Uri Shulevitz  
 The beautiful drawings and sparse text work together to create a wonderful winter story. Nobody thinks the snow will amount to anything...nobody, that is, except for a certain little boy and his dog.

"Miss Rumphius" by Barbara Cooney  
 A great story about great-aunt Alice and the life resolutions she made as a child ~ travel to faraway places, live by the sea, and do something to make the world more beautiful.

"Snow Bears" by Martin Waddell  
 Have you ever pretended to be someone else? Then you'll love this wonderful picture book about three clever little bears and their loving mama. Perfect read for a snowy day!
