Charlie's brilliant scientist parents have been kidnapped and it is up to him to rescue them. Charlie has the special ability to speak cat which aids him in his search for his parents. This first book of a trilogy is exciting and adventurous.

Sticky Bubble Gum
by Carole Peterson

Another awesome "move to the music" CD with catchy tunes and fun songs!

Whaddaya Think of That?
by Laurie Berkner

This sound recording is fun for children to sing and move to. I especially like "We are the Dinosaurs" and "Wimoweh (The Lion Sleeps Tonight)."
